While working on Island Song, she made the set for this show as well. She is pursuing major in theatre design when she goes to college and hopes to have a career in the arts as well. Some shows you might have seen her in are The Addams Family as "Alice" and The 25th Annual Putnam County Spelling Bee as "Logainne". She hopes you have as much fun watching the show as she did being apart of it and thanks you for coming!

ANGELA ANTRAM AS JORDAN

Angela Antram is a senior at Nuvview Bridge High School. She joined theatre only last year but greets each new show with just as much excitement as the first. With her newfound love for the stage she hopes to bring energy and enthusiasm to all her performances. This will be the fifth show she has participated in with previous roles such as Marcy Park in Putnam County Spelling Bee and the instructor in The Language Archive. Angela is excitedly looking forward to her role as Jordan in Island Song and hopes the audience can fall in love with the show as easily as she did.

JULISSA LOPEZ AS CAROLINE

Julissa (Senior) has played many roles during her time in theatre such as: Mayzie from Seussical, Morticia in The Addams Family, Mary from The Language Archive, and Molly from Peter and the Starcatcher. Julissa will be attending the University of North Carolina School of the Arts in the fall to get her BFA in Acting. She would like to thank the incredible crew who work hard and made this show possible. She would also like to thank her cast mates who made the entire experience a fun one. A special thank you goes to her amazing director who goes above and beyond to let us do our passion. Island Song has truly been one of her favorite show experiences and one she is extremely grateful to be part of.

NOAH BUYAK AS COOPER

Noah Buyak (senior) is extremely excited to be a part of the cast of Island Song. Noah has played many roles such as George from The Language Archive, Peter Shaw from Silent Sky, Chip Tolentino from 25th Annual Putnam County Spelling Bee, as well as Peter from Peter and The Starcatcher. Noah will be studying acting at the College-Conservatory of Music at the University of Cincinnati this fall. Noah would like to thank his director, Cassie, providing him the opportunities to grow as an actor, educator, and person. Without her, his future would be entirely different. He would also like to thank everyone for their constant support as well as the creators of the show, Sam Carner and Derek Gregor, for being such amazing people for allowing NBECHS to produce the show.

Welcome to Island Song.

TAN'YEASIA BREWSTER AS SHOSHANA

Tan'yeasia (Senior) has been apart of theater since her freshman year. During her time in theater she's been apart of the ensemble for musicals like Seussical, Anything Goes, Big Fish and Addams Family. As well as portaying Annie Cannon in Silent Sky, Olive Ostrovsky in 25th Annual Putnam County Spelling Bee, Prentiss for Peter and the Starcatcher, and this semester Emma in The Language Archive and Spiker in James and the Giant Peach. This play Tan'yeasia is thrilled to portray Shoshanna and work alongside a wonderful cast, crew, director, and a special thanks to Carner and Gregor for such a wonderful piece!

NICK LE AS WILL

Nick is ecstatic to be included in the cast of Island Song and has enjoyed every rigorous step along the way. He has been a part of the theatre program for 4 years switching between the backstage crew and tech crew with a few small roles sprinkled in. His most memorable role is the Priest in Anything Goes. It was then that he realized he enjoyed the slivers of the spotlight he had. If it were not for his role in Anything Goes and the continuous encouragement to strive for bigger roles, he would not be where he is at today. In that, Nick is very thankful for his friends who were always pushing him towards a greater goal.

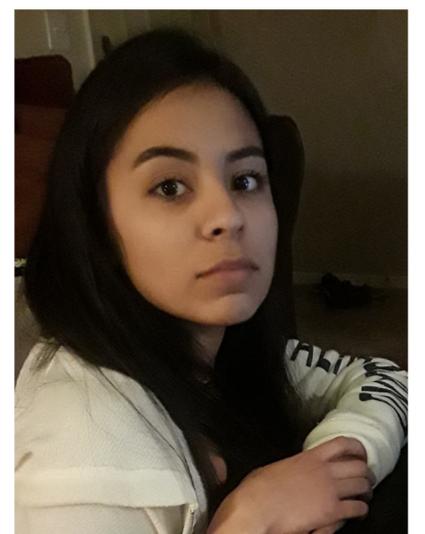

JOCELYN PEREZ AS WALLENDIA

Jocelyn Perez (Senior) is thrilled to be apart of the cast of Island Song. She has been apart of theater since her sophomore year. Throughout her time as apart of Troupe 8117 and Nuevo Community Theater, she has been apart of the ensemble for shows like Big Fish, Addams Family and Peter and The Starcatcher. As well as getting the opportunity to portray Marci and Gayle in Almost Maine, Leaf Coneybear in the 25th Annual Putnam County Spelling Bee, and Spider in James and the Giant Peach. She would also like to give a huge thanks to the amazing cast, crew and director for making this show possible.

ANNA VALENCIA AS STOSH

She has competed with lighting design on a state level and was selected to create the Lighting design for the All-State Show Act 1, student-produced performance. Although she is passionate about lighting design and the production of the show, she is starring as an actor for the second time in a production! She is excited to take on a different aspect of theatre and can't wait to see the outcome!

WILLOW GARLAND AS TIMO

Willow Garland is a junior and has done theater for nearly two years. She's typically backstage as a tech, but is excited to be onstage. Some of hers past shows include "The Addams Family" and "The Language Archive". To her, the most exciting thing about being in "Island Song" is getting to experience the black box from the stage
